

# CHATTANOOGA WHISKEY ANNOUNCES NEXT RELEASE IN AWARD-WINNING BOTTLED IN BOND SERIES: SPRING 2018 VINTAGE

---

**Chattanooga, TN (May 27, 2022)** – Chattanooga Whiskey today announced the next release of their Bottled in Bond Vintage Series: Spring 2018 Vintage. The series is exclusively crafted at their Riverfront Distillery and is a single-season, vintage-dated expression of their Tennessee High Malt style.

To be labeled Bottled in Bond, a bourbon must be the product of one distillation season, one distiller, and from one distillery. Legally, it must be aged in a federally bonded warehouse for at least four years and bottled at 100 proof.

*“We believe this release not only lives up to the Bottled in Bond tradition, but also pushes our BIB Vintage Series in an exciting new direction,”* said Tim Piersant, Founder & CEO.

Barreled January through June 2018, Chattanooga Whiskey’s Spring 2018 Vintage is crafted from a selection of four unique high malt bourbon mash bills - all made within the same distilling season - and each composed of at least 25% specialty malted grains. The result is an innovative approach to one of the industry’s most time-honored quality standards.

*“Our Spring 2018 blend includes a small percentage of a new recipe to the series: R18016. Made with approximately 20% minimally dried ‘green’ malt in its mash bill, this delicate recipe added a lovely, light complexity to the blend,”* said Grant McCracken, Head Distiller.

**Bottled in Bond: Spring 2018 Vintage** will be available at the Chattanooga Whiskey Experimental Distillery and across TN, GA, FL, TX, IL, IN, SC, LA, KY, AL, and CO at a suggested retail price of **\$52.99** for a 750ml bottle. Expect notes of crème brûlée, apple cobbler and toasted coconut with a long, malty-sweet finish.
